THE OBJECTIVES Structuring the local network, favouring professionalization, mobility and exchanges within and between the ACP and EU, structuring the economy of the sector, improving the local and international visibility of ACP professionals; these are the results to be expected of the various actions undertaken within this project.

THE PROJECT By associating partners from different horizons, Anglophones, Francophones, Spanish-speakers and Portuguese-speakers from regions in West, East and Central Africa as well as the Indian Ocean, Pacific and Caribbean, this project is creating, supporting and consolidating exchanges and cooperation between these regions and the professionals grouped in a network.

THE ACTIONS

- Creation of a network of festivals, whose members are the partners in this project
- Creation of a reference guide for professional practices in the ACP regions
- Organization of workshops and sessions of professionalization on each festival
- Creation of local markets at the festivals and the organisation professional encounters
- Training: how to use international markets as a means to develop one's activity
- Mobilisation of the international networks around the project development of each operator accompanied as part of this training

THE SUPPORTS EU-ACP Support Programme to cultural industries in ACP countries
